

# LEAVE THE CANOES BEHIND

## OUR CONVERSATION CONTINUES

### FOR SUCH A TIME AS THIS...

All Presbytery commissioners, pastors, church officers and members are invited to join us at the March Assembly to continue the conversation begun at the January Assembly. Tod Bolsinger challenged us in January to see that what is in front of us as the Church is nothing like what is behind us. We need to change our perspective and methods for sharing the good news of the Gospel in today's culture.

At this Assembly, our Presbytery's Vision Board will lead us in unpacking more of what Bolsinger shared and how it applies to our individual congregations. We will also explore the difference between attractional and missional models of ministry.

Presbytery Commissioners and ministers will gather at 9:30 a.m. to attend to some business of the Presbytery prior to this continuation of the conversation at 10:30 a.m. All others can either join us for the entire Assembly or just the conversation.

A recording of Tod Bolsinger's presentation at the January Assembly is available at [lehighpresbytery.org](http://lehighpresbytery.org) - click on "News and Events" and then "Other News."
